

months from the said of the Notice, or November 2, 2004, and this Response is being filed on or before that date.

Remarks:

The Notice indicates that substitute drawings in compliance with 37 C.F.R. Section 1.84 must be submitted to correct the informalities identified on the Notice of Drawings Review (PTO-948). Five (5) substitute drawing sheets containing FIGS. 1-11 are enclosed correcting these informalities.

Should you have any questions, please call the Applicant's undersigned attorney at the number listed below.

Respectfully submitted:
